Sir,

## **ROUTE WALK TO CELEBRATE THE INTERNATIONAL DAY OF THE AIRCRAFT MAINTENANCE ENGINEERS - FRIDAY 24<sup>TH</sup> MAY, 2024**

The **Society of Licensed Aircraft Maintenance Engineers of Nigeria (SLAMEN)** is the organization for all Aircraft Maintenance Engineers of Nigeria and duly registered with the Corporate Affairs Commission (CAC) with registration number; CAC/IT/17709.

The **International Day of the Aircraft Maintenance Engineers** is celebrated every year on the 24<sup>th</sup> May. This year will be the first to be publicly celebrated by our Society. Sir, in celebrating this day on Friday 24<sup>th</sup> May, 2024, we intend to have a very short route walk from the General Aviation Terminal starting by the gate of Bristow Helicopters, walk by the Terminal 1 Domestic and terminate at the Gate of MMA2. Our walk will not disturb any traffic as we have reduced our population to just twenty-five (25) members and hope to limit our walk to a maximum of one hour only.

Sir, in view of the above, we need your kind support to sensitize our profession to the public because for years we work behind the scenes to provide air worthy aircrafts for the traveling public.

While anticipating your kind response, do accept the warm regards of our President and the executive members.

**Engr. Mubarak M. Haladu**  
President

**Engr. Sheri A. Kyari**  
General Secretary
